THE BROFESSIONALS

Jeffrey Henderson

In a law office, two preppy- looking, caucasian, twenty-somethings stand side by side with their arms folded. **Chad** wears layered polo/golf shirts with the collars pulled up. The other, **Hunter**, is wearing khakis and a red sweatshirt with greek symbols.

CHAD

I'm Chad!

HUNTER

And I'm Hunter Worthington the Third, but you can call me 'Rip'...

Then, in unison.

CHAD

And we're **The Professionals!**

HUNTER (CONT'D)

And we're **The Professionals!**

They fist bump.

CHAD

And whatever uncool legal trouble you're in, here at The Professionals, we've got you!

HUNTER

Totally!

CHAD

Wether it's personal injury...

The pair reply to each item in unison.

CHAD (CONT'D)

Not Cool!

HUNTER

Not Cool!

HUNTER (CONT'D)

Bankruptcy...

CHAD

Not Cool!

HUNTER (CONT'D)

Not Cool!

(CONT'D)

CHAD

Or, DUI...

The pair shrug and respond in unison.

CHAD (CONT'D) HUNTER
 Alright! Alright!

(CONT'D)
 Like when you got busted on that
 epic trip you took to TJ with your
 hermanos; lit on mezcal and trippin
 balls on peyote and horse
 paralyzers... but now you gotta pay
 up son!

CHAD HUNTER
 Totally not cool! Totally not cool!

They step forward.

CHAD
 Whatever legal trouble you're in,
 here at The Professionals, we got
 you!

HUNTER
 But it doesn't end there: when you
 hire The Professionals, we're not
 just your lawyers, we're your bros!
 I'm talking full-on bromance dog!

They 'bro clap' til they hurt their hands.

HUNTER (CONT'D) CHAD
 OW! OW!

CHAD (CONT'D)
 That's right bro-ham! Most lawyers
 are all uptight; no game, no balls!
 We're not like that, we *understand*
 you...

HUNTER
 That old dude with the rayon suit
 and the combover know about epic
 partying and sick burns?

CHAD
 Nothing!
 Nothing! That doofus probably
 never even accidentally roofied
 himself at Homecoming! I think not
 hermano!

CHAD (CONT'D)

You think that douche-puppet gets what it's like? You think he understands the pressures of hazing new pledges?

Hunter holds up a newspaper.

HUNTER-

See this dog? We got Alpha Theta Ki cleared of three involuntary manslaughter charges! Three!

He holds up three fingers on one hand like a gang sign.

HUNTER

'Cause we understand it's not your fault if these noobs can't handle the haze!

CHAD

Exaaaactly. Here at The Professionals, we're ballers just like you son! We're gonna get you what's coming to you...

HUNTER

Summary judgment on that 'slip and fall'? We're 'bout to get you that money, bro! And if times are hard, and you're low on cash...

CHAD

Like maybe your pops cut you off over that bogus felony stalking charge...

HUNTER

We understand your struggle dog.

CHAD

That's right! If we're vibin' on your broke ass, we'll show you the mad love and do that shit for free!

HUNTER

We call that shit "Bro-bono" homie!

They fist bump again.

CHAD

So, when you're ready for some legit legal counsel, give us a call at 888-ComeAtMeBro...

HUNTER
That's 888-ComeAtMeBro!

CHAD
So forget those hoes! Leave
it to the pros and call the
bros: The Professionals!

HUNTER (CONT'D)
So forget those hoes! Leave
it to the pros and call the
bros: The Professionals!

(Jingle of phone number at end.)

Blackout.
